

SOUL BLACK POLAR BEARS

by

Soul black polar bear
 Still ain't got his fare
 To get to Africa and so
 He's stranded
 On an iceberg
 Shaped like America
 In two oceans of
 despair
 Soul black polar bear
 That's more alarming
 Than global warming
 Soul black polar bear
 Do you think or care
 To be out here
 Standing still
 Against your will
 Just because you
 show
 In contrast to
 Snow
 Before more harm is
 Done
 You've got to find your
 Place back in the sun
 Then one day the
 N.A.A.C.P.
 Black and white
 penguins came
 All dressed up in their
 Sunday best

They wanted to play
 Another brother game
 They said what a shame
 Don't leave us
 'Cause it would grieve
 Us
 If you should go back
 to Africa
 Soul black polar bear
 Please don't go
 nowhere
 Just because you're
 Black
 Some white bears don't
 Know how to act
 The wise old walrus
 May
 Get the seals to say
 We'll all grow old and
 Gray anyway some
 Day
 So won't you stay
 Please stay
 Soul black polar bear
